Virtual Horse Racing

Let us entertain you with a night at the races.... Experience the thrill of a flutter on the horses, and hold on tight through an action packed activity, all in the comfort of your own home.

Fabulously hosted by our amazing Compere, this is a fun and all inclusive activity for everyone. Typically run as a team based activity, our Compere will present 5 – 6 races hosted over the Zoom platform.

Following an engaging introduction, each team will be given a virtual money pot. You will split into your virtual teams to work together on deciding which horse(s) to back and what you're prepared to gamble with the tote.

Run by our operators, our tote's virtual betting system ensures a quick pay-out!

With commentary run alongside each race, you'll feel the build-up of excitement. With every race a close call, and the winner in doubt right up to the post, you'll be put through your paces, shouting and cheering as you watch your horse jockeying for position on the home stretch.

Hands down, this is the most entertaining, amusing and "comfortable" night at the races.
